- AND MORE PRIZES TO COME!

- Held at NSC Parent Ed Program Co-op Open Registration event - March 3rd
- You do NOT need to be present to win

All co-ops are now selling PAC raffle tickets to raise money for our scholarship fund.

The Details:

- 1) Tickets \$5. Please commit to selling/buying at least 1-2 tickets each. This is PAC's big yearly fundraiser, and our main source of scholarship funding. If each class can sell their 25 tickets (or more!), we can make a decent amount towards ensuring future scholarships for families who depend on it to participate in our preschools. Funds are tight for Spring Quarter, so please help us make this raffle a success! We are counting on a big return to help maintain our current levels of scholarship funding for Spring.
- 2) Cash or checks to "PAC". (\$5/ticket). We are in process of confirming more prizes.
- 3) The raffle will take place at our Open Registration event March 3rd. You do NOT need to be present to win. Each ticket has 2 halves. The buyer fills out their name/email/phone/coop class on the back of the "Ticket" part and returns it to us. Buyer keeps the "Keep this Coupon" part. Return tickets to your PAC rep in advance of March 3rd.

If you need more tickets, let your PAC rep know!
